As many of you already know, here at Top Glove, we provide an athletic outlet for a variety of people young and older, including youth at risk who otherwise can't afford to participate in organized sport. Our goal is to create an environment that's positive, where children are encouraged to gain a sense of belonging, be a part of a team, and build self-esteem.

Since COVID it has been difficult to maintain the facility, both indoors as well as our exterior. Unfortunately, we haven't had events as often as usual as restrictions had put a noticeable damper on our memberships although with that being said, they are steadily increasing. It takes time to develop boxers. You cannot teach a person to box in 1 month. Making an event successful, is to have our own boxers on the card.

We are now operating at a capacity that requires ongoing financial support to continue to offer the top-quality guidance, mentorship and environment that our gym is nationally known for. We are ready and eager to have more huge events here in Sudbury as goals to work toward for our athletes alongside the benefits of becoming high-caliber entertainment and networking occasions for our local community and beyond.

We depend on memberships and events to sustain Top Glove. Costs to host these productions include but are not limited to promotional materials, apparel, transportation and accommodations for visiting athletes from other parts of Canada and around the world. We would also like to be able to afford to give our beloved gym some new paint along its trim and will be hiring a student through the Government of Canada Summer Jobs program.

Top Glove's Top Block Sponsorship program is essential in assisting our boxing club to get back to where we were, better than ever as we move forward with our important mission as we aim to develop kids to become our future leaders !

We would like to give you the opportunity to have a one-time payment or monthly installments with post-dated cheques. Nevertheless, every sponsorship helps! So, if these prices aren't what you're looking for, send an email to gord@topglove.ca and we can discuss possible options.

We thank you in advance and appreciate your help.
